The State of Sharing Connections

Since our founding in 1986, Sharing Connections has partnered with local communities, businesses and organizations to make an impact on those struggling through a crisis such as transitioning from homelessness, relocating due to abuse or domestic violence, veteran services, unexpected fire or flood, and more by providing these individuals with furniture, clothing, beds and cribs as they rebuild their lives.

In 2022, our staff of five and small army of over 150 volunteers dedicated their time providing the necessities so that these individuals can dedicate their time focusing on that next stage in their lives. Furnishing Hope isn’t just a tag line for us, it’s what we take pride in doing every day and we are so very proud that our community has joined us in making this possible for those who otherwise would have lost hope.

Our vision is “Tonight, everyone eats at a table and sleeps in a bed”.

In 2022, you helped us provide a safe place to sleep by providing a new crib for over 290 babies and placed more than 795 children in a new twin bed! Together, WE FURNISH HOPE!

Together, with your support, in 2022 Sharing Connections impacted the lives of more than 23,600 individuals from 6,150 households spanning 109 cities throughout 16 counties!

Today, we partner with over 800 social workers and counselors from more than 250 organizations spanning over 300 locations. We Are Community Strong!

Donate or get more information today on how you can make a difference for a family in your community!

Furnishing Hope in the Community Since 1986.
