

TEAM BUILDING FAMILY BUILDING

Phillips & Johnston, Inc.
leads the way to help families.

SHARING CONNECTIONS
we furnish hope

IT'S A TEAM EFFORT.

Each year Sharing Connections provides furniture and household items to over 7,000 individuals in transition - **but we don't do it alone**. Join our efforts by starting your own group or business *Dresser Building Challenge* and help us provide over 600 dressers this year to families in transition. Through your team building exercise, together we will **furnish hope**.

Visit us online for more information @
sharingconnections.org/dresserchallenge

By purchasing affordable dressers through your local department store, your team can work together during assembly with the finished product going direct to a family.

Your time and effort will make a difference in the life of someone for many years to come.

Business. Community. Family.
